**"Swatantrata Ka Amrit Mahotsav"**  
**Indian Science and Scientist's Contributions in Swatantrata Sangram**

**Preconference on "INDUSTRY ACADEMIA & CAREER OPPORTUNITY"**

Collaboration between industry and academia is key to catalyse innovation and growth in technology. While industry often focuses on addressing solutions that are of near-term commercial value and academia focuses on building new knowledge through research and imparting education to students, the combination can yield accelerated development of new breakthroughs. A positive amalgamation of industry and academia for the upliftment of education system will surely benefit our country to shape young minds.

**About MPVS-2021**

MPVS-21 is the celebration of 75th Year of Indian Independence as "Azadi Ka Amrit Mahotsav" to recognize the contribution of Indian Scientist, Technologist and Industrialist in Indian Freedom struggle. Honourable Chief Minister of Madhya Pradesh, acknowledging the circumstances, has rightfully given a clarion call for 'Atmanirbhar Madhya Pradesh' under the umbrella of our Prime Minister; vision 'Atmanirbhar Bharat' - a self-reliant India. The role of science and technology are important for the overall prosperity of any developing economy. India being a developing country needs to make concerted efforts towards the goal of transforming itself into a developed nation.

The Madhya Pradesh Vigyan Sammelan & Expo (MPVS-2021) which is scheduled to be organized on December 11-13, 2021 in collaboration with Vignana Bharati and MP Council of Science and Technology at Indian Institute of Technology Indore will be a small step towards the contribution in science and technology of Madhya Pradesh as a Vikashit Pradesh for Atmanirbhar Desh." It will also be a tribute to our Indian scientists who have contributed silently in Indian Freedom struggle.
